Summer Cocktail Tips

PITCHER RECIPES

We have included a few pitcher recipes so you can provide for your whole crew all at once. A general rule of thumb for making pitcher recipes is to multiply the ingredients by the number of drinks you want to make but wait to add any carbonated ingredients until you serve each cocktail.

STORING LIQUID ALCHEMIST SYRUPS

We love a great bar cart setup, especially at a party. But, to keep your Liquid Alchemist syrups at their best, only leave them out for a couple of hours at a time, and then put them back in the fridge.
